“PLAY FOR FREE” DETAILS: STALLIONS LEAD THE WAY AGAIN!

The Stallion goal is to make it possible that any family can play for FREE. The Fundraiser Credits Co-op option makes it possible for any family to “Play For Free”.

Fundraisers are the bloodline of all youth organizations. Youth groups are built on volunteers and fundraisers to totally fund the expenses. Without fundraisers, registration cost to meet all expenses, would be close to \$1000 per player. Very few could or would pay that amount. Fundraisers fill the gap to meet the expenses and charity work.

There is only one REQUIRED fundraiser and 2-4 optional voluntary fundraisers. The 2-4 optional fundraiser’s will give each family a choice to “Play For Free”. Some fundraisers will be year round.

The more families that participate in each fundraiser the more the Stallions can do to keep fees affordable.

Stallion fundraisers will always be a benefit to the purchasers in the long term, such as logo wear, team pictures, raffles to win money, or items to be used for years. “Cold call door to door” sales in your neighborhood IS POSSIBLE but not recommended. Selling to friends, family, and fellow workers are successful.

The Home game gate and concession stand helps pay for the officials and the rental of the Turf Fields.
